# NEW PRODUCT ANNOUNCEMENT

## ALUMINUM STORAGE BOX 53 QUARTS

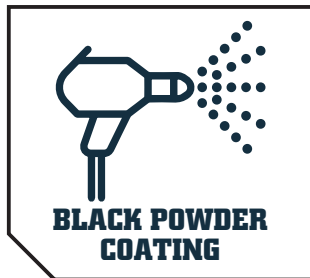

The Overland Vehicle Systems 53QT Aluminum Box Storage is a high-quality, durable solution designed for off-road travel and camping. Lighter and more spacious than comparable boxes, it offers excellent storage capacity without occupying too much space. Ideal for organizing clothes, camping equipment, off-road recovery gear, and other essentials, its functional design ensures easy access to your items. Lightweight and easy to transport, this aluminum box is perfect for all your adventures.

**SLEEK COMPACT DESIGN**

**AIRCRAFT GRADE ALUMINUM**

**BLACK POWDER COATING**

**EASY TO USE**

**ERGONOMIC HEAVY-DUTY DROP HANDLES**

**DURABLE WEATHER RESISTANT COATING**

**STACKING CORNERS FOR ELEVATED STABILITY**

**IDEAL FOR STORING CAMPING GEAR**

### Features + Benefits

- Two side handles for easy carrying and storing
- Riveted joints and beading all around for extra dimensional stability
- Ideal for storing camping gear or as a reliable cargo management system
- Constructed of Extra Strong Alloy Aluminum Sheeting
- Perfect for Storing All Your Gear on Long Trips
