

# OVERLAND NEWS BUSHVELD

06.2021

The new Bushveld Rooftop Tent, a 4-Season cantilever design is one of the largest tents on the market today. The stylish one-piece shell is aerodynamic and simple to use. Release the top and flip the bottom out and you have a King-size mattress that will give you plenty of space for the entire family. Every OVS tent features our double 600D ripstop body material with a 420-oxford ripstop cover which is designed to last and will ensure your Overlanding experience is never compromised. Gaze under the stars with the skylight or roll up all the windows and let the morning breeze come through, either way, you're Overlanding. This simple design can be set up in under a minute which gives you time to focus on your adventure.
