NEW PRODUCT ANNOUNCEMENT

XD PIVOT SHOWER

The XD Nomadic Pivot Shower is a premium, quick-deploying personal shower system designed for overland and outdoor enthusiasts who prioritize convenience, privacy, and durability. Crafted with rugged materials and thoughtful features, this single-person shower offers a 90-degree pivoting base for easy setup, blackout fabric for privacy and heat control, and a host of user-friendly design touches like internal storage pockets and a USB LED light with dimmer. Built to withstand the elements, it's the ideal companion for your next off-grid adventure.
