

FOUR SEASONS READY

3RD QUARTER *PROMOTIONS*

The new Bushveld Rooftop Tent, a 4-Season cantilever design is one of the largest tents on the market today. The stylish one-piece shell is aerodynamic and simple to use. Release the top and flip the bottom out and you have a King-size mattress that will give you plenty of space for the entire family. Every OVS tent features our double 600D ripstop body material with a 420-oxford ripstop cover which is designed to last and will ensure your Overlanding experience is never compromised. Gaze under the stars with the skylight or roll up all the windows and let the morning breeze come through, either way, you're Overlanding. This simple design can be set up in under a minute which gives you time to focus on your adventure.

Regular Price 999.99

For adventures and hardworking weekdays, our Freedom adjustable truck rack offers the highest quality performance of any rack on the market. Our Freedom Rack comes fully equipped with 4 heavy-duty towers, 2 long bed sidebars, and 2 heavy-duty crossbars. The ready to assemble kit comes with all necessary hardware and tools to get you out on the road in just one hour. The beauty of the Freedom Rack is the crossbar height can be adjusted to suit your needs: way up, for long loads to go over the cab—or down low, to get the rack out of the wind. The uprights are easy to take on and off in minutes, so the truck's only racked-up when needed. The weight capacity of the Freedom rack is up to 450 lbs off-road, and the dynamic static weight capacity goes up to 1350 lbs. This gives the consumer the freedom to mount awnings, rooftop tents, and whatever is needed on the trail. Also with multiple tie-down points and the ability to fit most truck beds, this rack has all the components to make your adventure on the trail something to remember.

THIRD QUARTER NEWS

EVENT AND PRODUCT NEWS

Dear Customer,

Please be advised Overland Vehicle Systems, King 4WD, and Up Down Air will be increasing the prices of our products by a weighted average of 7% effective 6/15/2021. The price increase is due to unprecedented increases in both Raw Materials and Shipping Costs. Our goals were to maintain your margins while ensuring our Retail Prices remain competitive in the market.

Due to our immediate cost increases incurred on our products, any orders placed before 6/15/2021 will be honored at the current price.

Regarding Open Orders: We ask that you reprice any open orders submitted prior to 6/15/2021 to the new prices found in the Jobber Price list attached on 7/15/2021.

We appreciate your continued business. If you have any questions or concerns about the increase, please feel free to contact us.

Thank you for your understanding.

Best regards,

Sean Angues
